Redflex and City agree to meet and negotiate in good faith a fixed price per approach using a standard pricing interval. Eighteen (18) months after the issuance of the first citation by a system and on an annual basis thereafter; both parties will review the financial terms of the contract. Based on the determination of financial insolvency (as it relates to the vendors fees) an adjustment can be made to the contract. The calculation will use currently available and verifiable data and on a commercially reasonable basis agreed to by both parties. Should the parties being reasonable and in good faith, not able to agree upon pricing terms; the agreement will continue for an addition six (6) month period under the current terms, in which Redflex will provide additional remedies. If after said remedy period, the program is still determined to be insolvent, the contract will Terminate for Cause, Redflex shall not be entitled to a cancellation fee for each installed approach and Section 6.2 Procedures of Termination will be applied.

BUSINESS ASSUMPTIONS FOR ALL PRICING OPTIONS:

1. Redflex construction will be able to utilize existing conduit for installation where space is available. If it is determined that new conduit must be installed the cost of the installation of the same shall be borne by Redflex.
2. The pricing will remain fixed for three (3) years. Each year thereafter, on the anniversary date of the contract, the pricing will increase by the CPI. CPI will be derived from the publication of the U.S. Department of Labor Consumer Price Index for U.S. City average.

Redflex shall provide an itemization of the Reimbursable Costs, with supporting invoices and labor expense documentation, to the City within thirty (30) days of the completion of installation of the Redflex Photo Red Light System at each designated Intersection Approach. Said Reimbursable Costs are currently estimated to equal approximately \$50,000 to \$80,000 per Intersection Approach but, in no event, shall said amount exceed \$80,000 per Intersection Approach. For the purpose of this section, the cancellation fee shall be derived in accordance with the following formula:

The cancellation fee shall be derived in accordance with the following formula:

X = the number of months remaining in the Agreement

Y = the number of months of the Agreement

X/Y = the percentage of remaining Agreement

Z = the Reimbursable Costs per Installed Approach (not to exceed \$80,000)

(X/Y)*Z = amount to be paid as cancellation fee

For example, if the Agreement ends on the last day of the 24th month and the Installed Approach was installed in month 12, the cancellation fee would be:

X = 36 (60 months – 24 months transpired under the Agreement).

Y = 60 (number of months of the Agreement).

Z = \$60,000 (value of reimbursable costs)

X/Y *Z = (36/60 * \$60,000)

Calculation of Fee = \$36,000

Item 10. - BLANKET ADDITIONAL INSURED AND WAIVER OF SUBROGATION—MANAGERS OR LESSORS OF PREMISES

A. Section II - Who Is An Insured is amended to include as an insured any manager or lessor of premises leased by you in which the written lease agreement obligates you to procure additional insured coverage, provided that:

1. the "bodily injury", "property damage" or "personal and advertising injury" giving rise to liability occurs subsequent to the execution of the agreement; and
2. the written agreement is in effect at the time of the "bodily injury", "property damage", "personal and advertising injury" for which coverage is sought.

That person or organization shall be referred to as the additional insured.

The coverage afforded to the additional insured is limited to liability in connection with the ownership, maintenance or use of the premises leased to you and caused, in whole or in part, by some negligent acts or omissions of you, your employees, your agents, or your subcontractors. There is no coverage for the additional insured for "bodily injury", "property damage" or "personal and advertising injury" arising out of the sole negligence of the additional insured or by those acting on behalf of the additional insured, except as provided below.

If the written agreement to indemnify an additional insured requires that you indemnify the additional insured for its sole negligence, then the coverage for the additional insured shall conform to that agreement; provided, however, that the contractual indemnification language of the agreement is valid under the law of the state where the agreement was formed. If the written agreement provides that a particular state's law will apply, then such provision will be honored.

B. Waiver Of Subrogation

For any additional insured that obtains insured status on this policy through paragraph A., above, we waive any right of recovery we may have against the additional insured because of payments we make for "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies.

C. Exclusions

This insurance does not apply to:

1. Any "occurrence" that takes place after you cease to be a tenant in that premises.
2. Any construction, renovation, demolition or installation operations performed by or on behalf of the Additional Insured.
3. Any premises for which coverage is excluded by endorsement.

D. Other Insurance

The insurance provided by this endorsement applies only to coverages and limits of insurance required by written agreement, but in no event exceeds either the scope of coverage or the limits of insurance available within this policy.

This insurance shall be excess over any other insurance available to the additional insured, whether such insurance is on an excess, contingent or primary basis, unless you are obligated under a written agreement to provide liability insurance for that additional insured on any other basis. In that event, this policy will apply solely on the basis required by such written agreement.

To the extent that the additional insured has the right to pursue any other insurance carrier for coverage, including a defense, we shall share that right with the additional insured.

Item 11. - EXPANDED BLANKET ADDITIONAL INSURED AND WAIVER OF SUBROGATION (FOR INSTALLATION EXPOSURES)

A. Section II - Who Is An Insured is amended to include as an insured any person or organization to whom you are obligated by a written agreement to procure additional insured coverage, provided that:

1. the "bodily injury," "property damage," or "personal and advertising injury" giving rise to liability occurs subsequent to the execution of the written agreement; and
2. the written agreement is in effect at the time of the "bodily injury," "property damage," or "personal and advertising injury" for which coverage is sought.

That person or organization shall be referred to as the additional insured.

The coverage afforded to the additional insured is limited to liability caused, in whole or in part, by the negligent acts or omissions of you, your employees, your agents, or your subcontractors, in the performance of your ongoing operations.

This insurance does not apply to "bodily injury," or "property damage," "personal and advertising injury" arising out of "your work" included in the "products-completed operations hazard" unless you are required to provide such coverage for the additional insured by the written agreement, and then only for the period of time required by the written

agreement and only for liability caused, in whole or in part, by the negligent acts or omissions of you, your employees, your agents, or your subcontractors.

There is no coverage for the additional insured for "bodily injury", "property damage" or "personal and advertising injury" arising out of the sole negligence of the additional insured or by those acting on behalf of the additional insured, except as provided below.

If the written agreement to indemnify an additional insured requires that you indemnify the additional insured for its sole negligence, then the coverage for the additional insured shall conform to that agreement; provided, however, that the contractual indemnification language of the agreement is valid under the law of the state where the agreement was formed. If the written agreement provides that a particular state's law will apply, then such provision will be honored.

B. Waiver Of Subrogation

For any additional insured that obtains insured status on this policy through paragraph A., above, we waive any right of recovery we may have against the additional insured because of payments we make for "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies.

C. Exclusions

With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply:

1. to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:

3. when coverage is available under a consolidated (wrap up) insurance program in which you are involved.

D. Other Insurance

The insurance provided by this endorsement applies only to coverages and limits of insurance required by written agreement, but in no event exceeds either the scope of coverage or the limits of insurance available within this policy.

This insurance shall be excess over any other insurance available to the additional insured, whether such insurance is on an excess, contingent or primary basis, unless the written agreement with you requires that the insurance provided for the additional insured be primary concurrent or primary non-contributory, in comparison to the additional insured's own policy or policies.

To the extent that the additional insured has the right to pursue any other insurance carrier for coverage, including a defense, we shall share that right with the additional insured.

Item 12. - BLANKET ADDITIONAL INSURED AND WAIVER OF SUBROGATION - PERSON OR ORGANIZATION

A. Section II - Who Is An Insured is amended to include as an additional insured any person or organization to whom you are obligated by a written agreement to procure additional insured coverage, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

1. In the performance of your ongoing operations; or
2. In connection with premises owned by you

provided that:

- (a) the "bodily injury", "property damage" or "personal and advertising injury" giving rise to liability occurs subsequent to the execution of the agreement; and
- (b) the written agreement is in effect at the time of the "bodily injury", "property damage", "personal injury" or "advertising injury" for which coverage is sought.

That person or organization shall be referred to as the additional insured.

There is no coverage for the additional insured for "bodily injury", "property damage" or "personal and advertising injury" arising out of the sole negligence of the additional insured or by those acting on behalf of the additional insured, except as provided below.

If the written agreement to indemnify an additional insured requires that you indemnify the additional insured for its sole negligence, then the coverage for the additional insured shall conform to that agreement; provided, however, that the contractual indemnification language of the agreement is valid under the law of the state where the agreement was formed. If the written agreement provides that a particular state's law will apply, then such provision will be honored.

B. Waiver Of Subrogation

For any additional insured that obtains insured status on this policy through paragraph A., above, we waive any right of recovery we may have against the additional insured because of payments we make for "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies.

C. Exclusions

This insurance does not apply to:

1. Any premises or equipment leased to you.
2. Any construction, renovation, demolition or installation operations performed by or on behalf of you, or those operating on your behalf.

D. Other Insurance

The insurance provided by this endorsement applies only to coverages and limits of insurance required by written agreement, but in no event exceeds either the scope of coverage or the limits of insurance available within this policy.

This insurance shall be excess over any other insurance available to the additional insured, whether such insurance is on an excess, contingent or primary basis, unless you are obligated under a written agreement to provide liability insurance for that additional insured on any other basis. In that event, this policy will apply solely on the basis required by such written agreement.

To the extent that the additional insured has the right to pursue any other insurance carrier for coverage, including a defense, we shall share that right with the additional insured.

Item 13. - ADDITIONAL INSURED - ARCHITECTS, ENGINEERS OR SURVEYORS

A. Section II - Who Is An Insured is amended to include as an additional insured any architect, engineer, or surveyor engaged by you but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

1. In connection with your premises; or
2. In the performance of your ongoing operations.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:

This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of or the failure to render any professional services by or for you, including:

Item 15. - ADDITIONAL INSURED AND WAIVER OF SUBROGATION – LESSOR OF LEASED EQUIPMENT

- A. Section II - Who Is An Insured** is amended to include as an additional insured any person or organization from whom you lease equipment when you and such person or organization have agreed in a written agreement that such person or organization be added as an additional insured on your policy. Such person or organization is an insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your maintenance, operation or use of equipment leased to you by such person or organization.

There is no coverage for the additional insured for "bodily injury", "property damage" or "personal and advertising injury" arising out of the sole negligence of the additional insured or by those acting on behalf of the additional insured.

A person's or organization's status as an additional insured under this endorsement ends when the agreement with you for such leased equipment ends.

B. Waiver of Subrogation

For any additional insured that obtains insured status on this policy through paragraph A., above, we waive any right of recovery we may have against the additional insured because of payments we make for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your maintenance, operation or use of equipment leased to you by such person or organization.

C. Other Insurance

This insurance shall be excess over any other insurance available to the additional insured, whether such insurance is on an excess, contingent or primary basis, unless you are obligated under a written agreement to provide liability insurance for that additional insured on any other basis. In that event, this policy will apply solely on the basis required by such written agreement.

To the extent that the additional insured has the right to pursue any other insurance carrier for coverage, including a defense, we shall share that right with the additional insured.

Item 16. - KNOWLEDGE OF OCCURRENCE

Subparagraph 2.a., b. and c. of Condition 2. Section IV – Commercial General Liability Conditions are amended to add the following:

As used in this paragraph, the word "you" refers to an "executive officer", partner, member or legal representative, and any other "employee" with insurance or risk management responsibilities.

Item 17. - UNINTENTIONAL ERRORS AND OMISSIONS

Paragraph 6. of Section IV – Commercial General Liability Conditions is amended to add the following:

Any unintentional error or omission in the description of, or failure to completely describe, any premises or operations intended to be covered by this policy will not invalidate or affect coverage for those premises or operations. However, you must report such error or omission to us as soon as practicable after its discovery.

This provision does not affect our right to collect additional premium or exercise our right of cancellation or non-renewal.

Item 18. - BODILY INJURY REDEFINITION

The definition of "bodily injury" in Section V - Definitions is replaced by the following:

"Bodily injury" means bodily injury, sickness or disease sustained by a person. It includes death or mental anguish, which results at any time from such physical harm, physical sickness or physical disease. Mental anguish means any type of mental or emotional illness or distress.

Item 19. - MOBILE EQUIPMENT REDEFINITION

Paragraph 12. f.(1) (a), (b) and (c) of Section V - Definitions does not apply to self-propelled vehicles of less than 1000 pounds gross vehicle weight.

Item 20. - SUPPLEMENTARY PAYMENTS

Section I - Coverages, Supplementary Payments - Coverages A and B, item 1. b. and 1. d., respectively, are replaced with:

- b. Up to \$2,500 for cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which the Bodily Injury Liability Coverage applies. We do not have to furnish these bonds.
- d. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit" including substantiated loss of earnings up to \$500 a day because of time off from work.

Item 21. - LIBERALIZATION

Section IV - Commercial General Liability Conditions is amended to add the following:

10. Liberalization

If we adopt a change in our forms or rule which would broaden your coverage without an extra charge, the broader coverage will apply to this policy. This extension is effective upon the approval of such broader coverage in your state.
